Dear Sergey Shkarin,

The 2020 IEEE International Conference on Acoustics, Speech and Signal Processing (ICASSP 2020) continues to be a premier conference. The Technical Program Committee worked very hard to compile a technical program consisting of outstanding papers.

Because you have registered and paid all fees necessary, we invite you to join us at the 2020 IEEE International Conference on Acoustics, Speech, and Signal Processing, May 4-8, 2020 in Barcelona, Spain. You may obtain more information from the web at <https://2020.ieeeicassp.org/> or please feel free to contact us.

This letter of invitation is not an offer to contribute to the financial costs of registration, travel to and from the conference, or subsistence while in Spain. Delegates and authors are responsible for the entire travel costs, to and from their home countries, including hotel expenses during the conference period.

Again, congratulations! We look forward to welcoming you to Barcelona.

Sincerely,

Xavier Mestre
