# Learn English: Intermediate Grammar

In this specialization, learners improved their understanding of intermediate grammar. They learned about perfect verb tenses and modals, as well as adjectives and adjective clauses. Learners were challenged to learn "tricky English" grammar that many English learners find frustrating. All of these topics helped learners to improve their fluency in the English language. To complete the specialization, learners showcased their new grammar knowledge in a multi-media "scrapbook" that they submitted for feedback.

Tamy Chapman, M.A.  
Emily Wong, M.A.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
